Description

2 keys, Full HONDA main dealers service history , Total 13 services done , MOT till 05/07/2027, This 2013 Honda Jazz i-VTEC EX stands out due to its exceptionally low mileage of just 33,122 miles for its age. As a well-maintained example of this popular hatchback, it features a reliable 1.4L petrol engine that balances performance with efficiency. The EX trim level provides a comprehensive specification, ensuring a comfortable driving experience for all occupants. Furthermore, the vehicle comes with the peace of mind of an MOT that remains valid until July 2027, confirming its current roadworthiness. , The primary advantage of this model is its clever interior design, which offers a surprisingly large boot space that is often superior to other vehicles in its class. This practical layout makes it an ideal choice for those who need versatility for daily errands or longer trips without compromising on the compact dimensions
