Description

2 keys, service history, total 8 services done , £20 road tax only for the year, MOT till 25/05/2026, This 2014 Nissan Juke dCi Tekna is a well-maintained example of this popular compact crossover. With a recorded mileage of 46,225 miles, it has covered very little distance for its age. The vehicle has a clear history check, providing peace of mind regarding its background, and it comes with an MOT valid until May 2027., , The 1.5L diesel engine offers impressive efficiency, achieving up to 71 mpg, which makes it a practical choice for keeping running costs down. Beyond its fuel economy, the vehicle benefits from low CO2 emissions and falls into a low insurance group, helping to reduce overall ownership expenses. These combined attributes make this Juke a sensible and economical option for those seeking a reliable vehicle that balances performance with cost-effective daily driving., Clean body work, interior
